**To what extent do you think the European Union (including its predecessor organisations like the EEC) has contributed to Western Europe having been at peace since the end of World War Two?**

The European Union has helped Western Europe remain at peace since WW2, but other factors like NATO and the UN have been just as important	31	29	37	38	27	36	40	33	29	34	33	26	33	36	24	32	33	33	26	31
