Previously the government has said that local councils and communities would receive payments in exchange for permitting fracking for shale gas in their local areas. It has now been suggested that money should be paid directly to nearby households that are affected by fracking. Payments could be up to £10,000 per household. To what extent would you support or oppose fracking in your local area if individual households received a direct payment in exchange?

Strongly support	12	7	16	12	17	9	5	15	18	6	11	11	10	16	12	11	7	9	17	13	11
Tend to support	21	19	23	21	30	16	22	17	24	18	20	20	20	25	20	22	21	21	22	21	19
