Imagine there was a hung Parliament at the next
election, and more than one party needed to form a
coalition government to run the government. Do you think the following parties would make a positive or
negative contribution to a coalition government?

## Green

| Some people have suggested that the role of MP or the role of party leader could be performed by two people in a "job share". Other people think this would not be practical. <br> Do you think the following roles could or could not be realistically carried out as a "job share" by two people? |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
