**28. Following news about court ruling**

Have you been following the news about an appeals court ruling that said the federal government could only provide subsidies to low income people who purchased health insurance policies on state run health insurance marketplace websites, but the federal government could not provide those same subsidies to low income people who purchased their health insurance policies through the federal health insurance marketplace website because their state had refused to run its own health insurance marketplace website?

## **The Economist/YouGov Poll**

November 15-17, 2014

<b>Sponsorship</b>	<i>The Economist</i>
<b>Fieldwork</b>	YouGov
<b>Interviewing Dates</b>	November 15-17, 2014
<b>Target population</b>	U.S. citizens, aged 18 and over.
<b>Sampling method</b>	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, political interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey.
<b>Weighting</b>	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0 to 6.1, with a mean of one and a standard deviation of 1.
<b>Number of respondents</b>	1000
<b>Margin of error</b>	± 4.4% (adjusted for weighting)
<b>Survey mode</b>	Web-based interviews
<b>Questions not reported</b>	21 questions not reported.
