To what extent, if at all, do you think your home is worth the costs that you pay for it each month? Please indicate on the scale below, where 0 means not worth the costs at all and 10 means entirely worth the costs.

[This question was NOT asked to those who own house outright or do not pay rent as living with family; n=988]

[Please note, the figures in the column "Neither - live with family and pay rent / rent free" relate ONLY to those who pay rent, as those who do not pay rent were excluded from this question]
