YouGov / Sustrans

Sample Size: 9122 UK Adults (of which 1370 are parents of children aged 5 to 16)

Fieldwork: 27th February - 7th March 2017

Region								
North	Midlands	East	London	South	England (NET)	Wales	Scotland	Northern Ireland

For the following question, by physical activity, we mean any exercise (e.g. running, skipping, playing sport etc.)

This can be part of the school day (e.g. playtime, during lunch, in a PE lesson etc.) or out of school.

Still thinking about your child aged 5 to 16 years old whose birthday is next...

On average how many days a week, if any, does your child get at least 60 minutes of physical activity? (If you are unsure, please give your best estimate)
