* % saying "get better" minus % saying "get worse"

Local councils in many parts of Britain are cutting some of their services. Thinking about the area where you live, which of these statements comes closest to your view?

Central government is mainly responsible, because it is cutting sharply the money it gives to the council where I live

My local council is mainly responsible, because it could achieve most of the savings it needs by cutting costs, without cutting services

Neither - I am not aware of significant cuts to services in my area
