Under current rules, all that is needed for a strike to occur is a majority of those that take part in a ballot. Under the Conservative government, the Trade Union Bill would impose a minimum 50% turnout and public sector strikes would require the backing of at least 40% of those eligible to vote. Generally speaking, do you approve or disapprove of this?

Generally approve	53	75	40	74	54	58	48	46	54	48	63	55	49
Generally disapprove	26	10	38	22	30	27	24	18	20	33	27	26	26
Don't know	22	15	22	3	16	15	28	36	26	19	10	19	26
