Thinking about the way the government balances fighting terrorism, and protecting the privacy and human rights of ordinary people. Which of these best reflects your view?

- More should be done to protect the privacy and human rights of ordinary people, even if this puts some limits on what the security forces can do when combatting terrorism
  - GB: 16%
  - France: 27%
  - Denmark: 19%
  - Sweden: 17%
  - Finland: 21%
  - Norway: 13%
  - Germany: 18%

- The security forces should be given more investigative powers to combat terrorism, even if this means the privacy or human rights of ordinary people suffer
  - GB: 52%
  - France: 31%
  - Denmark: 50%
  - Sweden: 41%
  - Finland: 44%
  - Norway: 44%
