On a separate issue, Andy Coulson has been found guilty of conspiring to hack phones when he was editor of News of the World. After resigning as editor he was appointed David Cameron's Director of Communications. The Prime Minister has apologised for his 'bad decision'. How seriously, if at all, would you criticise Mr Cameron's decision to hire Mr Coulson?

The police investigation into phone hacking has been one of the most expensive investigations in police history. Do you think it has been worthwhile, or should the police have used the time to investigate other crimes instead?

- Yes, it has been worthwhile; phone hacking is a big scandal and it is important to get to the bottom of what happened
- No, it has not been worthwhile; the police should have investigated other, more serious, crimes instead
- Don't know

There have recently been reports about British 'jihadists', meaning people who follow a particular form of Islam that promotes violent struggle in support of their beliefs. Some British 'jihadists' are reported to be fighting in Syria and Iraq, and in some cases are said to support violent struggle in Britain.

Do you think there is a serious danger of British 'jihadists' returning to this country and undertaking terrorist attacks, or have the media exaggerated the risk?
