Many local councils and teaching unions are opposed to free schools and have used planning laws and legal challenges to try and prevent free schools opening. Do you think this is or is not justified?

As you may know, there has recently been an investigation into the NHS in Mid-Staffordshire which found substandard care that had led to increased death rates at Stafford hospital between 2005 and 2009. The current head of the NHS, Sir David Nicholson, was the interim head of Mid-Staffordshire NHS Trust between 2005 and 2006. He has apologised to the people of Mid-Staffordshire on behalf of the NHS
