This week George Osborne suggested that if Britain voted to leave there would need to be an emergency budget to increase taxes or cut spending to make up for the economic impact of voting to leave.

Do you think this is...

Probably true - if Britain voted to leave the government would quickly need to raise taxes or cut spending	28	56	5	17	7	26	38	42	5	30	26	44	28	26	22	33	21	34	27	26	27	29
