## 133. Zika Virus | Source of Funds

Some people say that the federal government should use some of the money it was going to spend on other scientific research, like preventing Ebola, to help prevent an outbreak of Zika virus in the United States. Other people say that the government should not cut spending on other scientific research, but should instead get money for preventing a Zika outbreak from other sources. What do you think? (A) Use money that was going to be spent on other scientific research; (B) Get money for preventing a Zika outbreak from other sources; (C) Not sure

## 134. Zika Virus | Priority

Congress has not passed a bill to provide funding to research and combat a possible Zika epidemic here in the U.S. The White House has said it should be Congress' No. 1 priority when they return from the summer. What do you think? (A) Passing a bill to provide funding to combat the Zika virus should be Congress' top priority; (B) Although funding Zika research is important, Congress has other, more important priorities; (C) Not sure
