The negotiations of the TTIP treaty between the European Union and the USA are largely being conducted in private.

Once a treaty has been agreed, it will be published and approved or rejected by the governments and Parliaments of the EU countries and the USA.

Do you think...

It would be better if the negotiations were done in public, where the press and the public can see what is being discussed and hold governments to account	53	63	59	43	51	58	44
It is better that the negotiations are done in private, so governments are able to freely discuss commercially and politically sensitive issues	22	14	15	32	18	15	20
