Imagine Labour were the largest party at the general election, but did not win enough seats to govern alone.

Would you support or oppose Labour forming a coalition with, or doing a deal with, the following parties in order to form a government?

[Asked only to those who said they would vote Labour in an election tomorrow; n=609]

Imagine the Conservatives were the largest party at the general election, but did not win enough seats to govern alone.

Would you support or oppose the Conservatives forming a coalition with, or doing a deal with, the following parties in order to form a government?

[Asked only to those who said they would vote Conservative in an election tomorrow; n=931]
