Thinking about the negotiations on Britain's exit from the EU, if you had to choose, which of the following deals would you prefer to see?

A Brexit deal where Britain leaves the EU but retains a close relationship, meaning we retain membership of the single market and tariff and custom free trade with the EU, but still have to follow some EU rules, make a contribution to the budget, and allow EU citizens to live and work in Britain	36	71	8	17	59	82	9	24	54	54	4	37	36	51	40	33	24	45	25	43	34	33	36	46		48	40	30
A Brexit deal where Britain leaves the EU completely, meaning we have control over immigration from the EU, don't have to follow EU rules or pay into the EU budget, but have only limited access to the EU single market and face tariffs or limits on some British imports and exports to the EU	43	15	75	71	24	10	84	59	27	32	87	44	41	21	34	52	62	39	48	34	46	46	43	36		38	39	52
