As a reminder, please remember that your answers are always treated confidentially and are never analysed individually. We have provided you with a "Prefer not to say" option if you would rather not share your experiences. You previously said that you have \$bank, which your partner does not have access too... Which, if any, of the following describes why you have chosen to have \$bank, separate from your partner? (Please select all that apply. If your answer(s) do not appear in the list below, please type them in the 'Other' box below)
