Now imagine that Theresa May isn't able to negotiate everything she wanted, and the deal between Britain and the EU ends up being...

- Controls on immigration from EU countries
- Border checks between Britain and Ireland
- Guaranteeing the rights of EU citizens already in Britain and UK citizens already living in Europe
- Continuing to work with the EU on security and law enforcement
- Only a very limited free trade deal with the EU, with tariffs or limits imposed on many goods and services
- Custom checks on British imports and exports to the EU

If Britain secures the sort of Brexit deal described above do you think it would be good or bad for Britain?

Would not be good for Britain	46	42	48	30	64	38
