5AC. Trump Tweets June 4, 2020 — ...His primary strength was not military, but rather personal public relations. I gave him a new life, things to do, and battles to win, but he seldom 'brought home the bacon'. I didn't like his 'leadership' style or much else about him, and many others agree. Glad he is gone!

5AD. Trump Tweets June 4, 2020 — Probably the only thing Barack Obama & I have in common is that we both had the honor of firing Jim Mattis, the world's most overrated General. I asked for his letter of resignation, & felt great about it. His nickname was 'Chaos', which I didn't like, & changed to 'Mad Dog'...
