If Jeremy Corbyn were to stand down as Labour party leader, who would you most like to see replace him as Labour leader?

[See Tab1]

Under the proposed Brexit agreement there will be a transition period after Brexit, during which Britain and the EU will negotiate a longer term trade deal. If a long term deal has not been agreed by the end of the transition period there would be a "backstop deal" to avoid a hard border in Northern Ireland. All the UK would remain in a customs union, and Northern Ireland would in addition follow EU single market rules. The "backstop" deal would continue until both the UK and the EU agreed it was no longer needed.

Which of the following best reflects your view?

The backstop makes sense and should be part of the deal	38	41	16	41	35	44	38	36	40	42	25	46	38	37	33	46	33	53
The backstop is a bad idea but it's a price worth paying to secure a deal	7	5	20	9	6	8	6	7	9	7	8	5	10	8	6	5	7	9
The backstop is a bad idea and we should reject any deal that includes it	8	6	25	8	8	11	8	9	7	7	12	6	8	4	14	2	9	5
The backstop is irrelevant because the deal is a bad one anyway	39	40	36	38	40	23	38	44	41	37	44	35	38	42	40	42	43	30
