Some Conservative leadership candidates who support Britain leaving the EU without a deal have suggested that if they became Prime Minister they would "prorogue" Parliament until after Brexit takes place. This would mean Parliament would not meet until after October, so that MPs would not be able to vote against a "No Deal" Brexit.

Would you support or oppose proroguing Parliament in this way?

Support	<b>24</b>	43	10	11	6	45	27	21	11	19	31	32	24	24	20	26	22	27	17
