**Most of the perpetrators are men of Pakistani origin while most of the victims are white. From what you have seen or heard, do you think the ethnicity of those accused of the offences was one of the reasons that they were not dealt with properly?**

Yes - one reason the authorities in Rotherham didn't act was probably because of the ethnicity of those accused, and if the gangs had been white they would have acted sooner	<b>64</b>	74	59	56	85	78	61	62	65	62	40	50	66	82	64	64	52	61	70	68	58
