For the following question, we would like to remind you that your answers remain anonymous and are never analysed individually. As a reminder, there have been reports in the media recently about 'sex for rent', whereby landlords ask for sexual favours in exchange for free accommodation, a discount on the rent, or for writing off rent arrears.

Have you, or anybody you know, ever been offered 'sex for rent' by a landlord? (Please select the option that best applies in each column)
