Thinking about the current level of taxation in Britain, the amount the government spends on public services and the amount of money the government is borrowing, which of the following best reflects your view?

Government should increase taxes and spend more on public services and/or reduce borrowing	34	36	34	49	39	31	47	47	45	33	40	32	40	28	39	46	39	32	43	36	35	35	30

In his budget speech, the Chancellor also announced a series of measures to address concerns regarding Universal Credit. These include removing the seven-day initial waiting period to process claims so that first payment is received after five rather than six weeks, making 100% advance payments available within five working days of applying, and extending the repayment period for advance payments from six months to twelve months. Which of the following statements comes closest to your view of these changes?

The changes that have been announced address all of the problems with Universal Credit	9	18	6	6	16	5	5	6	13	11	8	12	7	10	11	10	9	9	9	10	9	8
