It has been suggested that the next British government may seek a free trade deal with the European Union, but without any right for EU citizens to live and work in Britain. Which of the following best reflects your view?

The remaining European Union countries should not agree any free trade deal with Britain at all	6	30	21	10	15	17	9
The remaining European Union countries should agree to a free trade deal with Britain but only in exchange for them continuing to allow EU citizens to live and work in Britain	31	45	50	46	44	52	32

Below is the sort of Brexit deal the British Prime Minister Theresa May has said she will try to negotiate...

Leaving the single market and negotiating a new free trade deal, Leaving the customs union and negotiating a new customs agreement, Controls on immigration from EU countries, Open border with Ireland, Guaranteeing the rights of EU citizens already in COUNTRY and UK citizens already living in Europe, and Continuing to work with the EU on security and law enforcement.

If Britain does secure the sort of Brexit deal that Theresa May has suggested do you think it would be good or bad for Britain?
