Some MPs propose that Brexit goes ahead, with the UK leaving the EU's political arrangements, but continues to have a Customs Union and Single Market relationship. In return for British businesses being able to trade freely with the EU, the UK would continue to make annual payments to the EU and maintain freedom of movement of EU citizens. This is sometimes known as "Norway Plus".

Which of these views comes closer to yours?

"Norway plus" is a sensible idea that delivers Brexit while protecting Britain's economy	26	26	34	42	21	32	38	36	16	28	24	37	25	25	19	29	22	28	25	23	28	28
"Norway plus" is a bad idea, which would leave Britain having to obey EU rules but with no say in them	47	61	41	50	62	42	47	42	63	50	44	27	44	53	61	50	43	46	49	49	44	48

The UK staying in the EU	45	24	71	86	23	64	81	83	10	44	47	61	50	35	36	52	37	60	39	42	44	64

The UK staying in the EU	52	25	79	89	24	73	87	89	11	48	56	76	58	40	38	57	44	67	45	50	50	68

Another idea is that the UK stays in the Customs Union but NOT the Single Market. The UK would continue to follow many EU rules, and not be able to make trade deals with the rest of the world. However, British manufacturers would not have to pay tariffs on goods entering the EU, and Britain could decide how far to keep or amend freedom of movement.

This is a good idea, that delivers Brexit whilst protecting parts of our economy and giving us the right to limit immigration from the EU	16	19	17	25	16	16	21	19	12	17	14	17	14	17	16	18	13	20	16	14	15	13
This is a bad idea, Britain would have to obey EU rules with no say in them, and it would prevent us making our own trade deals	57	71	55	58	71	55	56	53	72	62	53	43	55	62	68	59	56	56	59	58	54	61
