## 80. Cross Pressure Candidates

We would like to know your opinion about two candidates. They have similar platforms on all major political issues except the positions we describe below. The description is general, and is not about candidates from a specific party:
Candidate A:
Wants more spending on social programs and higher taxes for wealthy citizens
Wants more restrictions on abortion and a ban on same-sex marriage
Candidate B:
Wants less spending on social programs and lower taxes for wealthy citizens
Wants fewer restrictions on abortion and supports same-sex marriage
Which candidate do you prefer?

## 114. Zika Virus - Ebola Funds

Some people say that the federal government should use some of the money it was going to spend on Ebola research to help prevent an outbreak of Zika virus in the United States. Other people say that the government should continue spending the money on Ebola research and get money for preventing a Zika outbreak from other sources. What do you think? (A) Use money that was supposed to fight the spread of Ebola on preventing the spread of Zika virus instead; (B) Find a different source of funding to fight the spread of Zika virus and continue spending money to fight the spread of Ebola; (C) Not sure
