5K. Trump Tweets December 15, 2019 — As bad as the I.G. Report is for the FBI and others, and it is really bad, remember that I.G. Horowitz was appointed by Obama. There was tremendous bias and guilt exposed, so obvious, but Horowitz couldn't get himself to say it. Big credibility loss. Obama knew everything!

5V. Trump Tweets December 15, 2019 — Hard to believe that @FoxNews will be interviewing sleazebag & totally discredited former FBI Director James Comey, & also corrupt politician Adam 'Shifty' Schiff. Fox is trying sooo hard to be politically correct, and yet they were totally shut out from the failed Dem debates!
