Some people have suggested that if Parliament seeks to block a "no deal" Brexit, then the government should "prorogue" Parliament.

This would mean Parliament would not sit until after Britain had left the European Union, and MPs would not be able to vote on whether to leave without a deal.

Do you think it would be acceptable or unacceptable for the government to prorogue Parliament to prevent the Commons voting against no deal?

	Total	Remain	Leave	Male	Female	18-49	50-64	65+	ABC1	C2DE	London	Rest of South	Midlands / Wales	North	Scotland
