9. Congress is considering a "Cash for Clunkers" plan. Under this plan, the government would send vouchers of \$3,500 to \$4,500 to car dealers if you trade in a car that gets less than 18 miles per gallon and buy a new car that gets at least 4 more miles per gallon than your old car and costs less than \$45,000. Do you favor or oppose the "Cash for Clunkers" plan?
