David Cameron has pledged to fully legalise gay marriage. Do you think this is because...

Thinking about the cuts the government have made to defence spending, do you think they have cut spending on defence by too much, too little or about the right amount?

Thinking about the level of cuts to defence, do you think...

The cuts have damaged Britain's ability to defend itself against security threats, and should be reversed	38	27	50	25	34	52	32	39	38	21	32	43	46	35	43	29	35	37	49	39
