The Economist/YouGov Poll

Sample  1000 General Population Respondents
Conducted  July 4-6, 2015
Margin of Error  ±4.7%

1. Some people seem to follow what’s going on in government and public affairs most of the time, whether there’s an election going on or not. Others aren’t that interested. Would you say you follow what’s going on in government and public affairs...?

   - Most of the time .................................................. 48%
   - Some of the time .................................................. 30%
   - Only now and then ................................................. 13%
   - Hardly at all ...................................................... 8%
   - Don’t know ......................................................... 1%

2. Would you say things in this country today are...

   - Generally headed in the right direction ...................... 29%
   - Off on the wrong track .......................................... 58%
   - Not sure ............................................................. 13%

3. Have you heard mostly positive or mostly negative news stories about the economy, or have you not heard much news at all about the economy?

   - Mostly positive .................................................. 17%
   - Equally positive and negative ................................. 36%
   - Mostly negative .................................................. 37%
   - Not heard much news about the economy at all ............. 11%

4. For you personally, which of the following do you consider the best measure of how the national economy is doing?

   - The stock market index .......................................... 4%
   - The unemployment rate and job reports ..................... 40%
   - The prices of goods and services you buy .................. 33%
   - Your personal finances .......................................... 13%
   - Don’t know .......................................................... 10%
5. What is the current unemployment rate in the U.S.? Please tell us the percentage of adults who want to work that are currently unemployed and looking for a job. If you don’t know, please make your best guess.

11. In your opinion, has the United States recovered from the financial crisis of 2008?

<table>
<thead>
<tr>
<th>Option</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Has recovered</td>
<td>18%</td>
</tr>
<tr>
<td>Has yet to recover</td>
<td>61%</td>
</tr>
<tr>
<td>Will never recover</td>
<td>11%</td>
</tr>
<tr>
<td>Not sure</td>
<td>9%</td>
</tr>
</tbody>
</table>

12. How much have you heard about a new government proposal to increase the number of workers eligible for overtime pay?

<table>
<thead>
<tr>
<th>Option</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A lot</td>
<td>17%</td>
</tr>
<tr>
<td>Some</td>
<td>47%</td>
</tr>
<tr>
<td>Nothing at all</td>
<td>36%</td>
</tr>
</tbody>
</table>
13. Currently, businesses are exempt from paying salaried employees who earn more than $23,660 overtime pay. The federal government has proposed a new rule to raise the threshold to $50,440. Some people argue this will help workers because it will increase the number of people eligible to receive overtime pay. Other people argue that this will hurt workers because the new rule will force employers to reduce employee hours or cut the number of employees. Do you approve or disapprove of the new overtime proposal?

<table>

**The Economist/YouGov Poll**

**Sponsorship**  
The Economist

**Fieldwork**  
YouGov

**Interviewing Dates**  
July 4-6, 2015

**Target population**  
U.S. citizens, aged 18 and over.

**Sampling method**  
Respondents were selected from YouGov’s opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, political interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey.

**Weighting**  
The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.1 to 7.1, with a mean of one and a standard deviation of 1.15.

**Number of respondents**  
1000

**Margin of error**  
± 4.7% (adjusted for weighting)

**Survey mode**  
Web-based interviews

**Questions not reported**  
21 questions not reported.
