In an earlier question you said that you would vote Conservative in an election tomorrow. Which of the following best reflects your view of the Conservatives?

[Only asked to those who said they'd vote Conservative in a general election tomorrow; n=5781

I agree with the things they are trying to do and think they are doing well at delivering them I agree with the things they are trying to do, even if they are struggling to deliver them I think they are governing competently, even if I don't necessarily agree with everything they are doing I don't think they are governing particularly well or agree with what they are doing, but prefer them in government to Jeremy Corbyn's Labour party None of these Don't know
