22. President not Attending

For the last 36 years, every President has attended the annual White House Correspondents Dinner. The last President to not attend the dinner was President Reagan in 1981 who was recovering from a failed assassination attempt. Prior to that, both Presidents Carter and Nixon had skipped the event twice. On February 25th, President Trump tweeted that he will not be attending this year's White House Correspondents Dinner. Do you approve or disapprove of President Trump not attending this year's annual White House Correspondents Dinner?

24. Following CR

On a regular basis, Congress must pass bills that authorize the federal government to spend money for a certain amount of time. When that time expires, the government must shut down until Congress passes a new spending bill. How closely are you following the news that Congress has not acted yet to extend government funding beyond April 28?
