5A. Trump Tweets February 13, 2020 — I'm seeing Governor Cuomo today at The White House. He must understand that National Security far exceeds politics. New York must stop all of its unnecessary lawsuits & harrassment, start cleaning itself up, and lowering taxes. Build relationships, but don't bring Fredo!

5B. Trump Tweets February 13, 2020 —which he actually has a military and legal obligation to do. His incredible wife, Karen, who I have a lot of respect for, once pulled me aside & said strongly that 'John respects you greatly. When we are no longer here, he will only speak well of you.' Wrong!

5C. Trump Tweets February 13, 2020 — When I terminated John Kelly, which I couldn't do fast enough, he knew full well that he was way over his head. Being Chief of Staff just wasn't for him. He came in with a bang, went out with a whimper, but like so many X's, he misses the action & just can't keep his mouth shut,.
