5A. Trump Tweets March 30, 2019 — 'The Trump Administration has succeeded in dramatically raising the costs to Iran for its sinister behavior, at no cost to the U.S. or our allies. That's the definition of a foreign-policy achievement.' Bret Stephens, @nytimes We are getting stronger all over the world, watch!

Here are some comments Donald Trump made on Saturday, March 30, 2019. Please rate them.

5B. Trump Tweets March 30, 2019 — Mexico must use its very strong immigration laws to stop the many thousands of people trying to get into the USA. Our detention areas are maxed out & we will take no more illegals. Next step is to close the Border! This will also help us with stopping the Drug flow from Mexico!

5C. Trump Tweets March 30, 2019 — It would be so easy to fix our weak and very stupid Democrat inspired immigration laws. In less than one hour, and then a vote, the problem would be solved. But the Dems don't care about the crime, they don't want any victory for Trump and the Republicans, even if good for USA!

5F. Trump Tweets March 30, 2019 — So funny that The New York Times & The Washington Post got a Pulitzer Prize for their coverage (100% NEGATIVE and FAKE!) of Collusion with Russia - And there was No Collusion! So, they were either duped or corrupt? In any event, their prizes should be taken away by the Committee!
Here are some comments Donald Trump made on Saturday, March 30, 2019. Please rate them.

5G. Trump Tweets March 30, 2019 — ...The problem is, no matter what the Radical Left Democrats get, no matter what we give them, it will never be enough. Just watch, they will Harass & Complain & Resist (the theme of their movement). So maybe we should just take our victory and say NO, we've got a Country to run!

Daily Survey: Trump Tweets
March 30 - 31, 2019 - 1000 US adult citizens

YouGov

Interviewing Dates	March 30 - 31, 2019
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, and 2016 Presidential vote. The weights range from 0.379 to 2.285, with a mean of one and a standard deviation of 0.278.
Number of respondents	1000
Margin of error	$\pm$ 3.2% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	43 questions not reported.
