Please now think about buggies/pushchairs on public transport during peak times/rush hour. Which one of the following comes closest to your view?

During peak times buggies/pushchairs should be collapsed whenever possible to allow more space for other passengers to board	66	75	65	69	77	70	62	72	67	65	66	63	66	70	68	63	65	66	66	65	71
