

Our Omnibus service gives communication and brand professionals a powerful tool to draw out invaluable consumer and market intelligence in a manner that is quick, insightful, and cost-efficient.

Building on our industry leading experience, we utilize proprietary sampling and data processing methodologies to tap into a highly engaged panel representing all ages and demographics, delivering immediate and accurate market insights.

What our Omnibus can do for you

New product testing and market response

Brand and product awareness

Messaging and advertising campaign feedback

Crisis management strategies

Pricing strategy testing and market impact

Generate proactive PR stories

Concept testing

Public opinion tracking

Advertising / Sponsorship tracking

“ YouGov Omnibus surveys help us to develop informed, impactful stories that keep our clients at the forefront of any debate. Their people understand our business and the need for both extreme accuracy and the shortest achievable deadlines. ”

Ivan Ristic, President, Diffusion PR US

YouGov Omnibus - at a glance

The size and diversity of our panel enables us to offer a nationally representative samples as well as a wide range of special respondent groups. This allows our clients to focus their research on their target market and get answers from only the most relevant respondents.

“ We enlisted YouGov Omnibus to poll 1,200 women for their opinions.... ”
