**Thinking specifically about immigration into Britain and how it should be regulated, which of the following comes closest to your view?**

There should be a complete ban on further immigration from the EU and the rest of the world, and the government should encourage immigrants already here to go back to their own countries	57	45	76	46	51	60	63	72	51	59	60	62	63	45
